March 2018

Dear Year 11 Student

YEAR 11 PROGRESS EVENT – MONDAY 19th MARCH 2018

As you are aware the above Progress Event takes place on Monday 19th March from 2pm to 4.30pm. You will have received your mock results prior to the event and therefore have a good idea of how well your revision strategies worked. The purpose of the afternoon is to give you (and your parents/carers) an opportunity to discuss with your teachers the next steps which need to be taken to secure the very best results for you in the summer. It is not about going through a list of negative points, rather to find the key things that are going to make a positive difference to your outcomes.

Attendance is compulsory and you must make appointments with **all your current teachers** throughout the afternoon session using the other side of this sheet. Teachers will be based in their teaching rooms. You will need to get your appointment sheet **signed by each teacher after** your discussion and you can only leave site once you have signed out at the front office - you will need to show your appointments sheet at this point with all the signatures of your teachers.

Your parents/carers are also invited to attend and they will receive their invitation by text. However, this event is about you and for you, if your parents/carers are unable to attend you will be able to share with them the outcomes of your meetings with them later at home.

Monday 19th March is an important day in your “next steps” thinking. Please do not feel badly done to as the rest of the school leave at 1.10pm to allow all your teachers to be available to meet with you that afternoon! This represents a massive commitment from our school and from our teachers in supporting just you!

I am sure that, as with previous years, you will find your Progress Event to be really useful in helping you identify areas of your studies on which you need to focus in order to secure grades in the summer which truly reflect your potential and last a lifetime!

Kind regards

MR A MYCOCK
Assistant Headteacher
