Dear Parent/Carer

RE: Year 11 Parent/Carer Information Evening – Monday 8th October 2018

I write to invite you to attend the Year 11 Information Evening event on Monday 8th October 2018. This is an opportunity to understand and share our assessment system and how we and you can support your child in their journey towards exams. We will share key dates and key activities so that you can support your child in planning towards a successful outcome and senior staff will be available to answer any queries that you may have

The presentations led by Mr Mycock will include important dates, how we will measure your child's progress, top tips for constructive revision and how your child can be supported at home in order to maximise performance. Identical presentations will take place in the school hall at 5.30pm and 6.30pm and will last approximately 25 minutes. There is no need to book on to a presentation, simply come along to a convenient slot.

This is an exciting time for Year 11 and I am looking forward to supporting them in their preparations for achieving great things in the Summer Exams.

Yours faithfully

Mrs A Chapman
