

When a new item is available for your child, a red shape will appear next to the “pay for other items” button (Existing items will also be available here)

All items that are available for your child will be viewable here.

You will be able to see brief information about each item.

To pay for items or to view items in more detail click the “view” button to the right of the item you wish to see

You will be able to see details of the item here.

You may be asked to fill in medical forms; confirm details like EHIC cards, Passport numbers and dietary requirements; consent forms and any other information we require for trips.

You can pay for the items on this page. Depending on how the item is set up, this may be instalments, full payments, free or recurring.

Please make sure you activate your ParentPay account in preparation for trips and other payment items.

If you require an activation letter or use PayPoint as your payment method then you will need to request a letter.

PayPoint barcodes are unique to both the child and payment item so a new barcode is needed for every payment item and child
